Region Staff College is the formal in-residence course required for completion of Level IV. It prepares selected CAP officers/NCOs to better execute the duties and responsibilities associated with CAP command and staff positions at squadron level and above. CAP senior members who have completed Level III professional development and who hold command or staff positions are eligible to attend the RSC. RSC is a requirement for promotion to the grade of Major. MERSC lasts for 5 days in a laboratory/seminar environment and includes an online component prior to the classroom portion.
